Welcome

Invitation to Sponsor

It is with great pleasure that we invite you to consider sponsoring the 21st International CDIO Conference, to be held in Melbourne, Australia. This prestigious event brings together educators, industry leaders, and policymakers from around the world to advance engineering education through the globally recognised CDIO framework.

The CDIO approach has been adopted by numerous leading engineering institutions worldwide, including Monash University, the proud host of this year's conference. By becoming a sponsor, you will have the opportunity to showcase your organisation, engage with a global network of academics and professionals, and support the development of the next generation of engineers.

Sponsorship provides valuable exposure and unique opportunities for collaboration, networking, and brand recognition among key decision-makers in engineering education and industry. Your involvement will demonstrate your commitment to innovation, excellence, and the future of engineering.

We encourage you to seize this opportunity to be part of a dynamic and impactful event, and we look forward to welcoming you to Melbourne for an inspiring conference.

For more information on sponsorship opportunities, please do not hesitate to contact us.

Professor Nicoleta Maynard

Professor and

Associate Dean Equity, Diversity and Inclusion

Monash University
